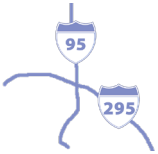
OPENING SUMMER 2018

Five *Things to Know* About **Our New Location**

11228 Hopson Road, Ashland, VA 23005

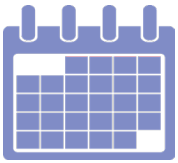
1. This is our fourth sales & service center in Virginia. Since our founding in 1967, we've grown from a small business in Rustburg, Virginia to the state's largest and most experienced bus sales and service company. We currently operate three sales and service locations in Central Virginia (Lynchburg), Northern Virginia (Manassas), and Hampton Roads (Chesapeake).



2. We'll be conveniently located near the interchange of I-95/I-295 in the Hanover Airpark. Access to our new facility will be only a short drive from nearly everywhere in the Greater Richmond area.

3. Bus sales, service, and parts support will be available to a variety of transportation sectors. Whether you need transportation support for your childcare center, healthcare facility, retirement/senior living community, private academy, charter or limousine company, church, public transit agency, or any other people-moving organization, you will be able to get the support you need from our team in Greater Richmond.

4. Preventive maintenance, routine service, and other specialized service support will be available. Routine scheduled preventive maintenance checks, air conditioner or wheelchair lift repair – whatever your service need, we'll get your bus taken care of and back on the road quickly. We understand our customers have places to go and need quick, quality, reliable service, and that's just what you'll get from Team Sonny.



5. Our Grand Opening will be during Summer 2018. This has been a long time coming for our company and customers, so we're buckling down and will be operational by Summer 2018. Keep a check on our website for an official open date and the details of our Grand Opening Celebration!
